RE: **IMPORTANT** – Entry Gate Access Code Change

The Board of Directors has decided that it is time to change the front entry gate access code. Please be advised that the code has been changed effective immediately to **#7411**. The old code of **#9214** will be deleted on **April 30th**. Be sure and update your regular vendors of the new code such as your landscaper, pool service, etc. **PLEASE DO NOT GIVE THIS OUT TO THE FOOD DELIVERY PEOPLE**. They will need to call your home from the keypad system at the front entry like all other visitors. The pedestrian gate code is also being changed to **7411** to match the vehicle gates. This new code will be the passcode for access to the HOA website www.brantleyplace.com.

PLEASE DO NOT GIVE THIS NUMBER OUT TO NON-RESIDENTS.
